MICRO EVO 2 | Chain actuator, 400N

230V
24V

Synchronization function, manageable during the installation, for the application of more actuators on the same window

Easy to install thanks to the new simplified fixing system

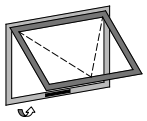

Double-link chain with anti corrosion treatment

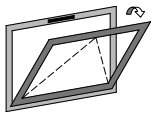

Available version:
Anodized silver or painted black RAL9005 casing with black accessories and cable
White RAL9003 casing version available with White accessories and cable.

5 YEARS WARRANTY

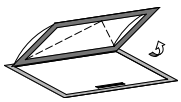

APPLICATIONS

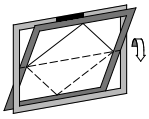

Top hinges, outward opening

Bottom hinges, inward opening

Cupolas and skylights

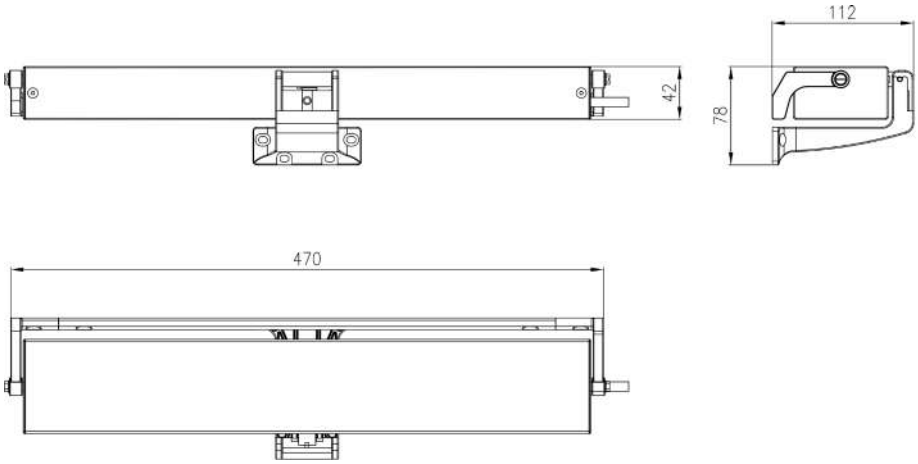

Horizontal pivoting window

Electrical linear actuator with double-link chain with anti corrosion treatment inside the metallic casing.
Thanks to its versatility, MICRO EVO 2 adapts perfectly to any application:

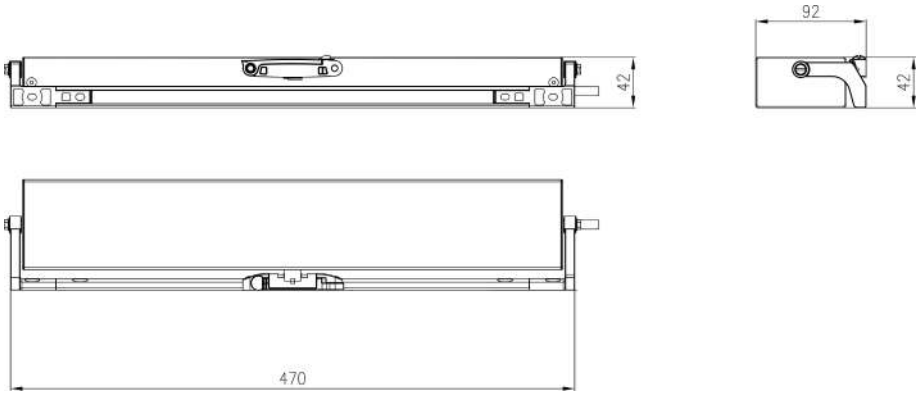

- Equipped with 4 electronically selectable strokes. Possibility to select the stroke through an external selector
- Equipped with a synchronization system that coordinates the chain movement of multiple actuators (up to 4) without using any external control unit.
- Equipped with overload protection and automatic end limit setting.
- In compliance with the relevant European Directives.

MODEL MICRO EVO 2	230V	24V
Traction force	400N	
Thrust force	300 N (Stroke 600 mm) 350 N (Stroke 450 mm) 400 N (Strokes 150-300 mm)	
Strokes	150 - 300 - 450 - 600 mm	
Power supply voltage	110-240V ~ (50/60Hz)	24V DC
Rated absorbed current	619mA	1,25 A
Power absorption at nominal load	30 W	28 W
Minimum speed	ca. 15 mm/s	
Electrical insulation	Class II	Class III
Type of service	3 cycles	
Working temperature	-10°C - +60°C	
Protection index for elect. devices	IP 32	
Soft Stop	YES	
Relax function	YES	
Connection in parallel	YES	
Synchronisation function	YES (max 4 actuators)	
Length of power cable	PVC - L. 1500 mm	SILICON Black - L. 1500
Dimensions	75 x 42 x 450 mm	
Weight	3,43 Kg	

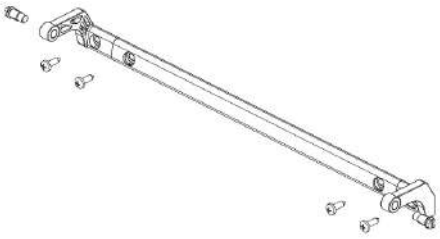

Bottom hinges, inward opening

Top hinges, outward opening

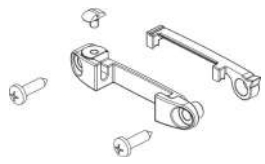

ACCESSORIES INCLUDED IN THE PACKAGING:

2701070
2701071
2701069
Pivoting actuator support bracket

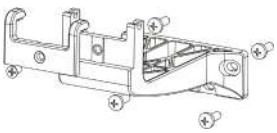

Black RAL 9005
White RAL 9003
Anodized silver

ACCESSORIES TO BE REQUESTED SEPARATELY:

2701010
2701017
Metal bracket for top hinges, outward opening application

Black
White

2713821
2713820
Metal bracket for bottom hinges, inward opening application

Black
White
